

BRAIN TUMOR FUNDING OPPORTUNITIES

Organization	Type	Description	Eligibility	Award	Due Date(s)	Duration	Phone	Email for Questions	Website
The Sontag Foundation	Grant	Research/Career Development	Doctorates in biomedical sciences medicine or other health-related fields	150K per year (600K total)	1-Mar-11 Check web in Fall	4 years	904-273-8755	kverble@sontagfoundation.org	www.sontagfoundation.org
Accelerate Brain Cancer Care	Grant	Translational		250K	??/??/??	1 year	202-419-3140	david.sandak@abc2.org	www.abc2.org
Musella Foundation for Brain Tumor Research	Grant	All that works		10-50K	None	None	516-295-4740	musella@virtualtrials.com	www.virtualtrials.com
American Brain Tumor Association	Fellowship	Basic Research	Young Researchers entering the field	80K	??/??/??	2 years	847-827-9910	info@abta.org	www.abta.org
	Grant	Translational	Early career investigators	75K	??/??/??	1 year			
	Fellowship	Summer Research	Medical Students	3K	??/??/??	1 year			
James S. McDonnell Foundation	Grant	Translational	Principle investigators holding position (e.g. assistant professor or above)	450K	Posted mid-summer to Fall Check website 1-Dec-10	3-6 years	Website	Website	www.jsmf.org/apply/apply.index.htm
	Collaborative Activity Awards	Multi-institutional, disciplinary or investigator	Same as above with emphasis on strong multi-institutional collaboration no geographic restrictions	Flexible	No Deadline LOI needed only	Flexible	(Same)	(Same)	
Pediatric Brain Tumor Foundation	Grant	Basic Science		50K	??/??/??	1 year	828-665-6891	dltraynor@pbtfus.org	www.pbtfus.org
Goldhirsch Foundation	Grant	Research/Translational	Must hold an MD and/or PhD or equivalent degree must hold a faculty position in US, Canada or Israel	100K, 200K or 600K	Initial Proposal Due: ??/??/?? Check website	1 or 3 years	617-279-2254	smcngny@goldhirschfoundation.org	www.goldhirschfoundation.org
AACR	Fellowship	AACR-NBTF	Postdoctoral or Clinical Research Fellow	40K	Check web in Fall	1 year	267-646-0665	grants@aacr.org	www.aacr.org/funding
Sidney Kimmel Foundation	Scholar Award	Basic Science	MD, PhD or equivalent degree & be Assistant Professor	100K	Dec-2011 Check website in Sept	2 years	443-849-3729	gcohen@gbmc.org	www.kimmel.org/Cancer_Research28.html
Brain Tumor Funders Collaborative	Grant	Translational & Clinical	N/A Check website	Check website	Check website	N/A	Website	Through each of the organizations involved	www.braintumorfunders.org
	Fellowship	Research	Neurosurgery Residents	40 or 70K	Check website in July	1 or 2 years	847-378-0500	nref@aans.org	www.aans.org/research/fellowship
William P. Van Wagenen	Grant	Clinical	Young Faculty - Physicians or Neurosurgeons	40K	Check website in July	1 year	(Same as above)	info@aans.org	www.aans.org/research/fellowship/aans.asp
Codman Fellowship in Neurotrauma and Critical Care	Fellowship	Travel Abroad	Senior neurosurgical residents and must pursue an academic career in neurosurgery	60K	Check website in July	12 months	(Same as above)	info@aans.org	www.aans.org/research/fellowship/aans.asp
AAANS/CNS	Fellowship	Basic/Applied Clinical	Neurosurgery resident in training	40K	??/??/??	1 year	N/A	msg@aans.org	www.codman.com
	4 Fellowships	Spine or peripheral nerve	residents or neurosurgeons depending on fellowship	5-30K	1-Dec-10	1 year	412-647-0958	gersztenpc@upmc.edu	www.spinesection.org/fellowship_awards.php
	3 Research Grants	Spine or peripheral nerve	(Same)	15-30K	1-Dec-10	1 year	414-805-5400	mwang@mcw.edu	
	Trial Proposal	Spine Clinical	Neurosurgical junior faculty	50K	Same	1 year	N/A	zoher.ghogawala@yale.edu	
Fellowship	Spine Clinical	Neurosurgical residents/fellows/junior faculty	50K	Same	1 year	N/A	zoher.ghogawala@yale.edu		
NIH	Grant	R01			R01 New: Cycle I - February 5; Cycle II - June 5; Cycle III - October 5 <i>R01 renewal, resubmission and revision: Cycle I - March 5; Cycle II - July 5; Cycle III - November 5</i>				http://grants.nih.gov/grants/grant_basics.htm
		R21			R21 New: Cycle I - February 16; Cycle II - June 16; Cycle III - October 16 <i>R21 renewal, resubmission and revision: Cycle I - March 16; Cycle II - July 16; Cycle III - November 16</i>			http://grants.nih.gov/grants/funding/submission_schedule.htm	
		K12 and K22			K12 and K22 New: Cycle I - February 12; Cycle II - June 12; Cycle III - October 12 <i>K12 and K22 renewal, resubmission and revision: Cycle I - March 12; Cycle II - July 12; Cycle III - Nov 12</i>			for complete table of all NIH App deadlines	
The Childhood Brain Tumor Foundation	Grant	Basic Science/Translational	Investigators in the early years of their careers	25-30K	Check web in Fall	1 or 2 years	301-515-2900	cbtf@childhoodbraintumor.org	www.childhoodbraintumor.org
Children's Brain Tumor Foundation	Grant	Basic Science/Translational	Investigators in the early years of their careers	150K	Check website	2 years	212-448-9494	info@cbtf.org	www.cbtf.org/professionals/grants
Society for Neuro-Oncology International Outreach	Fellowship	Research	post graduate medical professionals working in neurosurgery, neurology, radiation, oncology, medical oncology, pathology, radiology, check website for more	50K	Call for App: 06/23/10 App Deadline: 10/18/10	1 year	N/A	Contact desired host institution. Sponsored by American Brain Tumor Association and EMD Serono	www.soc-neuro-onco.org/international-outreach-research-fellowship/
The Ben & Catherine Ivy Foundation	Grant	Research/Translational	early career researchers who received MD and/or PhD in the last 10 years as PI post-doc fellows eligible as well	1.0M max	??/??/??	3 years	650-324-3000	info@ivyfoundation.org	www.ivyfoundation.org/apply-grant
Voices Against Brain Cancer	Grant	Research/Non-research	PI's must be MD's or PhD's in relevant fields and must be affiliated with, on staff with US research or med institution	20K	Fall 2010 - Check web	1 year	N/A	grants@voicesagainbraincancer.org	www.voicesagainbraincancer.org
Department of Defense	Grant	Research	Unrestricted but subject to clarification	1.75M	Check website	N/A	301-619-7079	cdmrp.pa@amedd.army.mil	www.grants.gov/search/search.do?mode=VIEW&oppId=48121
Brain Research Foundation	Grant	Research	Young Investigators and Senior faculty	40K	Check website	1 year	312-759-5150	info@theBRF.org	www.thebrf.org
ThinkCure!	Grant	Collaborative Research	N/A Check website	N/A	Research proposals due: on April 1 always	1 year	323-224-1360	info@thinkcure.org	www.thinkcure.org/site/PaveNavigator/research/research_grant_updates
Clinical Research Professor	Grant	Research		Up to 80K	CV & LOI: Aug 1 App Deadline: Oct 15	5 years Renewal once	404-329-7550	john.stevens@cancer.org	www.cancer.org/docroot/RES/content/RES_5_2x_Clinical_Research_Professorships.asp?sitearea=RES
Research Professor	Grant	Research	Full-time investigators in mid-career with seminal contributions to cancer research	variable	CV & LOI: Feb 1 App Deadline: April 1	5 years Renewal once	404-329-7550	john.stevens@cancer.org	www.cancer.org/docroot/RES/content/RES_5_2x_Research_Professorships.asp?sitearea=RES
Investigator Initiated Grants	Grant	Basic/Translational		150K max & 10% indirect cost (75K max per year)	Check website	2 years Renewal once	800-843-8114	research@aicr.org	www.aicr.org/site/PageServer?pagename=research_funded_grant_application
U.S. Clinical Research Investigators	Grant	Research		variable	1-Nov-10	N/A	Website	isr.help@bms.com	www.bms.com/clinical_trials/investigator_sponsored_research_investigators/Pages/default.aspx
Pre-clinical Research	Grant	Research		variable	Check website	N/A	Website	isr.help@bms.com	www.bms.com/clinical_trials/investigator_sponsored_research/preclinical_research/Pages/default.aspx
Prevent Cancer Foundation Grant	Grant	Research	Check website - PI or fellow receiving the award must not receive funding from the tobacco industry	40K per year (80K total)	Check website	2 years	702-836-4412	info@preventcancer.org	www.preventcancer.org/research2c.aspx?id=32&ekmense=15074e5e_28_30_32_1
Investigator Award	Grant	Basic/Translational	Must hold a doctoral degree and be a tenure-track Assistant Professor at time of award activation.	50K per year (200K total)	1-Mar-10	4 years	212-688-7515	grants@cancerresearch.org	www.cancerresearch.org/InvestigatorApplication.html
The Craig H. Nielsen Foundation	Grant	Basic/Pre-clinical for Spine injury	Postdoctoral (for fellowship); researchers and clinicians may apply for the grants	variable	LOI: 08/20/10 App Deadline: 12/1/10	2 years	702-567-7072	N/A	www.chnfoundation.org
National Brain Tumor Society	Stage 1 Grant	Basic Research	All may apply - open to the national and international community. May be from public or private institutions (e.g. hospitals, universities, colleges, laboratories)	40K - 100K	App Deadline: 12/17/10	1 year	617-924-9997	"Contact Us" on website	www.braintumor.org/ApplyForAGrant/
	Stage 2 Grant	Translational Application	Same as above; this award is contingent on successful stage 1 funding only.	500K or greater	Contingent on Stage 1	3 years			
Miles for Hope Foundation	Grant	Basic/Translational and Innovative Research	All may apply - US only	250K max	No Deadline	1 year	727-781-4673	N/A	www.milesforhope.org/brain-tumor-research-grant
Caregiver Research Grant NBTf and Tug McGraw	Grant	Qualitative/Quantitative and interventional	Check website	30K	Check website	N/A	Website	"Contact Us" on website	www.tugmcgraw.org/grants/default.asp
SPORE in Human Cancers	Grant	Basic/Translational	Check website Section III for list of eligible institutions Eligible individuals is open to all with skills, knowledge and resources necessary to carry out the proposed research.	variable (min 50K)	LOI: Multiple see web App Deadline: (same)	5 years	Website	Website	http://grants.nih.gov/grants/guide/pa-files/PAR-10-003.html http://spores.ncl.nih.gov/applicants/index.htm
