# WIN BIG WITH THE NEW Tumor Complications Course

January 25–26, 2020 | The Cosmopolitan of Las Vegas | Las Vegas, Nevada

Kick off the new year in Las Vegas and join this expert forum to discuss complications related to brain tumor surgery. Participants are encouraged to present one of their own challenging tumor cases and debate the best management and preventative strategies.

Topics include glioma surgery, brain metastases, open skull-base tumors, intraventricular tumors/cysts, endoscopic endonasal approaches for skull base tumors, and technology-related complications.

**COURSE DIRECTORS:** Constantinos G. Hadjipanayis, Maryam Rahman, Ganesh Rao

**FACULTY:** Manish Aghi, Mitch Berger, Randy Jensen, Jacques Morcos, Danny Prevedello
